

Examples from HMS Sites

- Many HMS sites have already worked to implement contact information into their discharge paperwork!

How to contact your doctor?

Clinic Contact Info

You were admitted to Medicine Faculty Hospitalists during your stay.

If you have questions about your hospitalization after discharge, please call the University of Michigan hospital operator at 734-936-4000 and ask to speak to your discharging physician or the provider on call for the Medicine Faculty Hospitalists service.

For other questions about your medical care, call your primary care provider, [REDACTED] at [REDACTED]

You can also reach your specialty care provider by calling the Infectious Disease Clinic: [REDACTED]

If you have questions after hours related to your subspecialty care, you can call the hospital operator 734-936-4000 and ask to speak to the provider on call for that specialty.

Please read the "Patient Instructions" section of this document for further details and symptoms that should prompt immediate medical attention.

If you are having difficulty scheduling your follow-up appointment or have questions or concern about your discharge instructions, please call McLaren's Care Coordination Department at [REDACTED]

If you are having serious side effects with your medication prior to your next outpatient appointment, please call:
